47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Largely because for a long time I was stuck with Comcast, and now moved to an area where there is a competitive product, Sonic, that is out-delivering in terms of speed & service. I use fiber from Sonic, and it is vastly superior to my prior cable modem service from Comcast.
