**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing this with major concern about competition in the consumer broadband service market. I have been a very happy and loyal Sonic DSL broadband customer for over five years. I save a lot of money on a very tight monthly budget with Sonic and do not want to see less competition by only offering higher-priced Comcast and AT&T broadband services, the only other options I have. We need more competition, not less. Please keep Sonic alive in current form.

Sincerely,

Peter Mullen
