**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I urge you not to change your rules for internet access as it will give even more advantage to our largest carriers. I have found them slow, generally incompetent service providers, and they are a good bit overpriced.

We need more competition in this country in most of our services, not less.

Thank you,

Craig Kronman
