**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic.net, a local provider of broadband services, for my DSL and home phone service. They provide me with excellent service for a fair price. Please allow them to compete in the telecom marketplace as the technology is upgraded and improved (e.g. fiber to the home) for faster and more reliable service. Do not require me to choose from only two broadband providers (ATT and Comcast) in my area. Competition is good!
