**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a small internet provider because they are reasonably priced and give good service. Please let us keep the broadband competition alive. I want to have many options.

I am a home user of internet as I run a small business out of my house. My internet monthly cost also covers my phone service so it is pretty reasonable. I need to keep my cost down to survive. Please don't let the big companies destroy the competition.

Thank you for your support for small businesses.
