**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This is not right! To allow this is to go backwards. To have power centered in the few and to have dictators controlling airwaves, accesability and content is wrong.

To charge more for the same service is wrong.

FCC - do the right thing and Save Internet Competition

Thank you,
