**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and support broadband competition because I am tired of AT&T's bad service and freedom to raise prices. My provider has recently installed fiber optics at my home where the was DSL before. I am therefore enjoying faster and better connection, excellent service with no price hikes for several years. Please do not remove market competition.

Thank you.
