**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and support broadband competition.

I am a remote worker and broadband internet access is critical to my work and home usage.

I also have competitive telephone service.

I will be affected and oppose the petition to dismantle key components of the 1996
Telecommunications Act.

Thanks you for your consideration.

Best regards,

Jan Smith
