**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family and I support broadband competition, we would be materially affected by USTelecoms petition. We moved to Sonic, a locally owned smaller competitor of the big guys because we had such terrible service. We now have excellent service and can not imagine having to go backwards. Our home life has changed drastically in a positive direction due to our improved connectivity. Please keep competition.
