**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please save my Sonic fiber service at its currently affordable rate. The only other comparable service in my area is almost six times as expensive. As a retiree, living on a fixed income I would not be able to afford this service, which has become essential to my quality of life. Contrary to the stereotype, many senior citizen depend on a good fiber service to maintain needed contact to maintain a healthy level of social contact. both with family and the larger community. Regards
