**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I, Theresa Lambert, am a consumer and a small business owner who supports broadband competition. Our local supplier here in Santa Rosa, CA, Sonic, provides the best service I have ever experienced. Prior to becoming a Sonic customer, I used the only other available providers in our area (AT&T, Infinity) with terrible results. The service provided was beyond terrible, the prices charged for services were very high, and the throughput delivery not consistent.

I have two separate services, one for home use, and one for business use. Sonic is outstanding. Both provide 100% of my telephone, DSL and web interface email and web site services.

Competition is good for business!

Thank you,

Theresa Lambert
