**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not change the 1996 Telecommunications Act to limit broadband competition and benefit big telephone companies who can raise prices and kill competition. Local providers are building new fiber networks for faster speeds and they need UNE's and Bridge 2 Broadband. Don't cut off rural America!
