**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm tired of the price hikes that will increase the cost of internet and telephone services in San Francisco. Rent, cost of living is already through the roof. Need a healthy market for services that actually cater to customers and aren't monsters like Comcast.

Broadband is critical to my home and business and Sonic gave me great service through competitive DSL. I want that to continue.
