**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

More competition means better service at a lower price. If you kill the competition, we, the consumer, will suffer: lack of choices, service price increase, and sub-par customer services. I use Sonic as my ISP and am happy with them because their price is more reasonable and their service more reliable than AT&T, my previous ISP. I need broadband at home for work, communication, and entertainment.

Please keep the competition alive!

Thank you.
