**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have used Comcast and ATT internet services for many years. Their prices always went up while their service got worse. That's what happens when there is no real competition.

We finally got access to a small company that offers fiber-optic service. The difference in service, price and responsiveness is amazing.
You need to keep broadband competition.

Thank you
