**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are residential customers who use a small provider for broadband access. We use them because they provide great service at a competitive price in an area that AT&T has neglected for years. Please maintain the ability of small providers to compete in the provision of broadband services.

Otherwise we face poorer service at higher prices.
