**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have Sonic fiber today, but previously had competitive DSL. We use Sonic for telephones and internet and love that it is an independent, local company. Without the choice of a competitive provider I'd lose the service I already have and love.

I say No to price hikes that will increase the cost of internet and telephone services.
