**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am residential consumer with DSL service into my home, which I depend on for my work. My ISP provider depends on competitive access to copper wires to my home. They are a local provider and give me better service and pricing than I have ever had with Verizon or AT&T. I support broadband competition.
