**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop monopolies! Don't allow corruption to ruin the free markets and harm business and consumers. Competitive broadband services and necessary for our communities big and small while allowing greater innovation. This makes our nation stronger.

Limiting competitors and freedom to services only sets the United States to the bar of other restrictive totalitarian nations.

Sincerely,
