**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow for competition. I love my Sonic network, not only because it is fast for my kids homework but also affordable. Large Company's are eating us alive with the crazy extra charges that should not be allow such as AT&T and Verizon/Comcast.

I am a single mother with two school children and only having competition can make America better. No monopoly should be allow.

Make monopoly of services illegal.

Thank you.
