**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of many happy customers with local DSL/Fiber internet provider. Customer service is superb compared to big two. Should have healthy competition including big and small, and against price hike. The government should not regulate each person's preference to choose which provider for the better fit without paying more for the service.
