**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't take competitive internet away from residential customers! When you take these basics away from us we are forced to bear the higher costs of a less competitive market. It's inappropriate for you to cater to lobbyists who funnel money and business back to big telecoms.

Do your jobs,
