**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Local Broadband is essential to our small business. Businesses like ours, collectively, are the backbone of the U.S. job market and we need our voice to be heard! Small businesses face enough challenges from major corporations, government bureaucracy and other deep pockets. We need affordability and we want more competition!!!!
