**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and broadband is critical for running my personal finances and home. I was happily using Sonic, and eagerly await Sonic's upgrade to fiber, but I'm having a difficult time right now.

I currently don't have fiber, and am suffering because of the lack of it. It takes a long time just to access my bank account, for instance. Or credit card bill, or water bill. You get the idea.

Please don't increase the cost of internet and telephone service, and don't let AT&T affect the lives of every American.

Thanks for your time,

Jennifer Chou
