**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have a small local provider, which I chose and continue to choose, because I CANNOT STAND the big corporations

We the people dont want to HAVE NO CHOICE OR VOICE, in who we can choose for our Internet provider.

I previously had DSL, and for many years now have been completely satisfied with Sonic.net, my local provider.

It should be obvious to you that small broadband companies are completely necessary, and what the big bad telecommunications corporations are trying to do, which is ELIMINATE COMPETITION.

NO DEREGULATION!!

I fully expect you to do the right, moral thing, and I want to know what you intend to do.

Sincerely,

Shelley Albar
