**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly support broadband competition. I am starting a small online business and I use the internet constantly. The impact of a price hike in internet service would make it almost impossible to make a profit. As a registered nurse, the internet is invaluable for research and communication. Please dont limit my choices.

Sincerely,

Rebecca Cherry-May
