**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they are affordable and I only needed internet. The internet speeds are so much faster than Comcast or U-Verse that we have had previously. and it made my decision easy. They are local and have on multiple occasions been very quick to come out for support or help over the phone. I do not have any intention in switching and have recommended them to so many people.
