**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a residential Sonic customer, and I don't want to lose out on the wonderful service provided by this ISP, which is offered at a competitive price.

Please deny the USTelecom petition to the FCC which will dismantle key components of the 1996 Telecommunications Act. I will be very much affected. The current competitive market allows consumers like my self to have access to better prices using local broadband providers like Sonic.

I rely on these services, and I don't want to lose it. It will affect the cost of my internet and telephone services.

Please do not grant their petition which will certainly effect and end broadband competition.

Thank you,

S Doff
