**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like for you to know that I support broadband competition and currently enjoy a smaller provider.

Please say no to price hikes that will increase the cost of my phone and internet services.

Our economy needs competition to be a healthy economy - we need to be able to have many providers to choose from.

Please, please, please do not dismantle key components of the 1996 Telecommunication Act!!
