**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need smaller businesses like Sonic and other providers for fair pricing. Can't depend on just a couple of huge corporation for obvious reasons. I'm sure you are smart enough to figure it out. Can't keep giving big name corporation more power than they already have and not give the smaller companies a chance to even compete.

Thanks,

Joe Smith
