**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of Sonic.net which uses both copper and fiber optic wiring to serve me. The owner of my building will be upgrading to fiber optic exclusively any time soon. So I depend on Sonic to provide their services. For me they are a local company that offers excellent service. I would be loath to see this company disappear by eliminating their product and eliminating competition and resulting in monopolies which by reputation offer very poor service. These smaller companies help to keep the larger ones honest.
