**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly oppose taking away customers' right to choose their carriers as well as method.

I prefer fiberoptic cables to being submitted to wifi, so-called "smart" 5G technology, and other forms of EMF radiation which harms the health and is a severe danger.

Neighbors with antennas also violate our air space and pose health risks.

**DO NOT TAKE AWAY OUR RIGHT TO CHOOSE OPTIONS THAT PRESERVE OUR  
HEALTH AND INDEPENDENCE.**
