**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition makes us all stronger. Have you been to the DMV lately? Do you know why it's such a horrible experience? The DMV has a monopoly on drivers licenses so they have no motivation to make the process more efficient or pleasant. If the DMV was worried about their customers going to their competitor they would work to improve the process. But we don't have a choice so they have no reason to improve. Please give us choices, DO NOT let Comcast become the DMV for internet. We will all lose if you allow monopolies in the industry.
