**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's so important to have competition where broadband service is concerned. Consumers are being besieged by big corporations who simply do not have our best interests in mind and will squeeze us dry. It is imperative to save the variety of choice when it comes to ISPs. It's bad enough to have lost Net Neutrality. Let's keep the competition in providers so we have choices. We simply cannot let one or two corporations drive the industry.

Thank you.
