**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a sonic customer who depends on copper network for all of my internet needs. Do not stifle this regional carrier and greatly reduce healthy competition in this commerce area. There are many happy customers who appreciate Sonics pro consumer pro privacy policies and do not want to be forced by federal interference with private business to use a national carrier with awful service and dubious consumer protections. Internet freedom is a utility not a service.
