**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As more of the business of America becomes placed behind the impersonal walls of large corporate structures its refreshing to have alternatives. I find Sonic.net to be vital to my needs. I live in the country where there is and will not be fiber. I find competition to the key in refining public offerings. I am much happier with my service and help desk than I was as an AT&T internet and phone customer.
