**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I recently changed my landline and internet provider from ATT to smaller, local company. The money I save is nice, though minimal. The service is a vast improvement. I've been made aware that you want to muck up the system -- as you have done with similar industries, and as you are in process of doing to net neutrality. I object.

Frankly, I have zero faith in your desire to do what is best for the user since you favor incumbent businesses who lobby heavily. But at least I can add to the pile of objectors, and let you know that you will be injuring yet another end user.
