**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was able to reduce my monthly Telecom bill by half and get three services from one very effective local provider, who is also able to provide internet at faster speed thru fiber. Until recently, there was very little competition in the market where I live. I am the owner of a small business and dependent on reliable speed and customer service that my prior large corporate provider failed to deliver.
