**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competitive broadband is vital to my business and to the success of all small businesses. I'm just plain tired of Comcast and feel they are already monopolizing the business and can't possible believe it could be worse than it is now.

NO MORE PRICE HIKES!!! I switched to Sonic because of the quality service and high speed internet connections and want to be sure that Sonic is not threatened by the bigger companies.
