**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential Internet user and a customer of Sonic, an independent ISP providing me with faster access at a reasonable price. I previously had DSL and the current service is much improved. I choose Sonic because it is a competitive provider and will help keep prices down. As such I oppose and dismantling the key components of the 1996 Telecommunications Act requested by USTelecom. I want to keep my internet service at a reasonable price.
