**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our household chose a local independent DSL and now fiber provider for better service and customer support. I want multiple providers of all sizes to compete for my business!

We do schoolwork, get entertainment, do business, and learn on the internet. Often we are interested in non-corporate sites. We don't want our internet access limited by content or source.
