**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please reject the competition cutoff!! We need competitive smaller companies to be a healthy economy.

I had a large phone/internet provider(ATT&T) for years. It was hard to get service or to talk to someone on the phone. When I switched over to a smaller company (Sonic) I always get a real human on the phone, and service is immediate. Please, let's keep competition in America!
