**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that uses Sonic Fiber broadband service. Since we switched to Sonic from ATT DSL we have gotten better service for less money. We use our Internet access every day and use the same service for voice.

I am writing to encourage you to keep cost effective broadband competition in place. I benefit as a consumer. ATT needs to have a reason to focus their strategy and plans and investments on customers and the only way that will happen is if they feel the effects of competition now that we have an alternative to ATT for voice and internet access.

Keep healthy competition alive.
