**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my internet provider in San Rafael, CA because they have way better customer support than AT&T at a way better price. I use AT&T for my cell phones and home internet, but I don't want them to be the only service I can get. I know AT&T or Comcast would keep prices higher without adding better customer service if they didn't have excellent competition like Sonic internet. Internet access with phones is a critical service for my business and home, I use it for all communications, so please prevent these services from becoming a monopoly.

Thank you for listening to another person affected by your decisions.
