**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Monopoly is a bad thing. I support broadband competition, to keep choices and competitive pricing alive. Ma Bell ended in the late 1970s, so why would we want to incur company monopolization again? Do the right thing. Its amazing we get to speak up and appeal but undisputedly unfortunate we have to tell you this.
