**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of broadband service provided by Sonic. Please do not vote to dismantle key components of the 1996 Telecommunications Act. Sonic has provided my community with great service and more importantly competition to the incumbent cable company. Even though I'm no longer a Comcast customer, I see that competition from Sonic has forced Comcast to offer better service. Vote to keep competition alive and allow any carrier to use UNE's to compete in the marketplace.

Thank you.
