**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Reducing our options for internet service stifles competition and increases costs to consumers.

I am a business owner that depends on cost-effective internet access to operate, bringing jobs and wealth to our local community.

Please carefully consider the implications and needs of citizens versus the interests of the corporate telecom carriers.

Sincerely,

Ethan Jones
