**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Hello sirs: it has come to my attention that there is vote by you that if accepted could eliminate my carrier Sonic from providing me with a low cost internet connection. Im a senior citizen that for years had first ATT and then Comcast. As prices rose for internet and cable my income, which is fixed, did not. Sonic has provided me with a price I can afford while leaving me the savings that I can use on other expenses in my life. If I can no longer receive Sonics service Ill have to return to one of the more expensive carriers or go without. I hope you will vote against this bill that will adversely affect so many. I firmly support Broadband competition.
