**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We choose a competitive provider to get better service at a lower price. The service we get is excellent. Having high quality broadband is critical to us because we are supporting a small business that requires access to broadband. Along with our broadband service we are also getting competitive telephone service as well. Being able to choose from alternative providers is critical to maintaining reasonable pricing.
