47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our provider, Sonic, does a great job of supplying internet and phone service - please do not cut them out! We have used their service for several years and find them to be excellent providers of fiber internet. We also use their landline service and never have a problem.

Please keep this service competitive!
